**CONSENT MOTION FOR EXTENSION OF TIME
TO FILE SUMMARY JUDGMENT MOTION**

The U.S. Department of Justice respectfully moves the Court to extend all summary judgment briefing deadlines in this case by one week. The case involves a Freedom of Information Act request for Federal Bureau of Investigation records related to Christopher Steele, some of which have been withheld in part and marked with notations indicating the statutory basis for each withholding. As the FBI has prepared its declaration in support of the government's motion for summary judgment, it has revised some of the exemptions claimed in support of its withholdings, and has accordingly re-marked the documents withheld in part. The Department of Justice requests a one-week extension of all deadlines to allow sufficient time for the FBI to re-release the documents withheld in part and for undersigned counsel to finalize a brief consistent with those updated claims of exemption.

Undersigned counsel discussed these developments with counsel for Judicial Watch, who consented to the following schedule for summary judgment briefing in this case:

| | |
|----------------|---|
| March 15, 2019 | Department of Justice's motion for summary judgment |
| April 19, 2019 | Judicial Watch's cross-motion and opposition |
| May 24, 2019 | Department of Justice's opposition and reply |
| June 13, 2019 | Judicial Watch's reply |

Respectfully submitted,
